

**July Club Meeting of the  
BMW Motorcycle Owners of Georgia  
July 10<sup>th</sup>, 2005 11:00 am Vogel State Park Blairsville, GA**

23 club members were in attendance.  
Dave Westfall provided the club lunch.

The BMWMOGA website has moved from BMWMOGA.ORG to BMWMOGA.INFO.  
Repeated attempts to contact Damian to transfer ownership of the old website to the club failed.  
The reason for the change is have better control of club property.

**Ride Captain**

- Vince Eugenio, (ride captain), was not in attendance but track day details will be distributed via “The Line” in a few days.
- Bill Haycock was thanked for planning the July club ride.

**Miscellaneous**

- MOA and RA Charters have been renewed.
- The newsletter is now available in a higher resolution version through email distribution.
- BMWMOGA trailer storage would have incurred a \$30/month charge. Club member, Steve Huntoon has agreed to store our trailer in his warehouse in return for club membership.

**Rally Facts:**

- 688 registered attendees – Talled from the AMA liability waiver form.
- Discrepancy with BMP’s count and the club’s count.
- Dave Westfall – What is the policy of BMP as far a gate security and the need to have a written agreement with BMP on how counting and gate control will be carried out.
- Fred Veator – Some sort of rally discount for the volunteers should be talked about for the future. It’s not fair that the volunteers should pay to volunteer.
- Roger Wiles – We should include a plastic garbage bag with the rally pack for all attendees.
  - Implement a pre-registration refund policy.
- The club should identify non-registered attendees and let BMP know.
- Keith Anderson – Invite the Sheriff to patrol the rally a couple of times.
- Jane Moore - \$10,433 net profit from the rally
- Discussion about the flat fee as opposed to head count. Head count seems to be the best process for all involved. Too many variables in the weather.
- Udo – Suggesting a “rainy day fund” for the rally.
- Roger Wiles can find a \$5,000 certificate of deposit to hold for a rally “rainy day”
